### SOCIAL AND PERSONAL

**Meets Tonight.**  
There will be a meeting of the Hy-Shy-Ny Society in the class room of the Rev. Dr. W. C. Taylor in the First Baptist church at 7:30 o'clock this evening. Special work will be taken up and a full attendance of the membership is urged.

**Family Reunion.**  
Sunday, when was the anniversary of the birthday of Mrs. A. A. Berbig, was made the occasion for a family reunion at the home of her son, J. M. Cassell, at Grafton. Mrs. Berbig was 83 years old on that day and it is an odd coincidence that the birthdays of five more members of the family recent also occur within a few days of this date.

All the grandchildren and great-grandchildren were present, and quite a number of them spent the entire day at the Cassell home. Among the out-of-town persons present were Mr. and Mrs. Frank Cassell and little daughter of Morgantown; Mr. and Mrs. E. L. Cassell and children of Fairmont; Prof. and Mrs. George H. Colebank and children of Fairmont; Miss Elise Rodewald, of Clarksburg; and Mr. and Mrs. Peter Cassell.

**Informal Luncheon.**  
Complimentary to some out of town guests, Mrs. Henry Haymond entertained very informally at a 1 o'clock luncheon Tuesday in her home in West Main street. Asters and hydrangea obtained in the floral decorations of the table.

Covers were laid for Mrs. J. E. Watson, of Fairmont; Mrs. Benjamin R. Blackford, of Parkersburg; Miss Underhill, of New York; Miss Mary Moore, of Ravenswood; Miss Sue Watson, of Fairmont; Miss Betty Brown, of Schnickley, Pa.; Miss Eleanor Blackford, of Parkersburg; Miss Florence Jackson and Miss Roberta Fleming, of Parkersburg.

**Enjoyable Picnic.**  
A very enjoyable picnic was held by a party of young folks from Clarksburg Sunday at Barnett and canoe riding was the pleasant diversion. At noon an old fashioned picnic dinner was served in the woods.

Those who attended were Misses Ethel Wright, Laneda Harper, Rose Cathoun; and Carl Waters, E. G. Fairwell and Lud Zillinger.

**To Be Hostess.**  
Mrs. W. Frank Stout will be hostess of the Ladies' Aid Society of the First Methodist Episcopal church Thursday afternoon in her home at "Otho Place" and the members of the society are asked to attend.

**Union Meets.**  
A very interesting meeting of the Women's Christian Temperance Union was held Tuesday afternoon in the St. Paul's Methodist Episcopal church, South, and quite a number of members attended.

**Married in Parkersburg.**  
A Clarksburg couple has been married in Parkersburg as evidenced by the issuance of a marriage license there Monday to William Schaefer and Barcelona Varoch, both of this city.

Miss Leona Brown has come here from Parkersburg to teach school. Philander K. Stout, of Bridgeport.

James E. Bartlett was here Tuesday from Bridgeport.  
J. W. Williams, of Marshville, visited the city Tuesday.  
John Barrett has returned from Parkersburg, where he spent Sunday.  
Miss Kathryn Powell who visited Miss Virginia Brent has returned to her home in Parkersburg.

### OIL AND GAS

The Seep purchasing agency of the South Penn Oil Company advanced the credit balance market for all grades of Eastern crude yesterday morning except Ragland, which remains at sixty-five cents. Crude of the Pennsylvania grade was advanced five cents, making the present quotation \$1.65. Mercer black and New Castle were advanced to \$1.23, coming to 1.12; Cabell to \$1.25 and Somerset to \$1.08. On last Saturday the Prairie Oil and Gas Company advanced the price of Oklahoma and Kansas crude from seventy-five to eighty cents. The advance in the market price of mid-continent crude will stimulate operations in that country, but the five-cent advance in the East will have scarcely any noticeable effect on field work. Within a month Pennsylvania crude has been advanced four times, making a total of thirty cents. Under ordinary circumstances this would have been sufficient to stimulate development work. That it has not done so is due to the fact that there is almost nothing but light territory available and operators continue to adhere to the waiting policy and insist that nothing short of a \$2 mark will bring about a restoration of active operations in nine fields.

**New Work at Dorjville.**  
The thirty-foot development in Indiana township, Allegheny county, is an exception to the general rule. The National Oil and Gas Company's well on the W. J. Robinson farm has created quite a commotion in that locality. For the twenty-four hours ending yesterday morning the Robinson farm well averaged twenty barrels an hour. The same company has started to spud in No. 2 on the same farm and is building the rig for No. 3. No. 2 is located 475 feet east of No. 1 and No. 3 is located 350 feet northeast of No. 1. The American Natural Gas Company has drilled its test on the J. Haas farm, located 350 feet east of the gusher, thirty-four feet into the sand and the result is little improvement in the quality of the sand, but no increase in production.

**West Virginia.**  
Light wells are in evidence in the West Virginia fields. On the south fork of Hughes river, Murphy district, Ritchie county, the Equality Oil Company has drilled No. 8 on the J. F. Deems farm through the Salt sand and has a ten-barrel pump. On McKim creek, Mingo district, Pleasants county, the Gas and Fuel Company has drilled a test on the W. H. Shingleton farm through the Big Injun sand and has a duster. On Warriors Fork, Mannington district, Marion county, the Carnegie Natural Gas Company has drilled a test on the D. C. Hibbs farm through the Big Injun sand and has a gasser.

**Southeastern Ohio.**  
The deep sand territory in Southeastern Ohio has again come to the front. In the Union Furnace district, Hocking county, the Preston Oil Company on the W. E. and M. E. Shaw farm swabbed 120 barrels from a well the first twenty-four hours. It will be given a shot today. In the Berea grit, Clay district, Muskingum county, Murphy and Company have drilled a well on the Towning farm through the Berea grit and have a twelve-barrel pump.

**The Oil Market.**  
The prices paid for oil of various grades by the purchasing agencies are:

### ELKS TO MEET.

The ceremony of initiation is scheduled for the meeting of Elks here to be held at 8 o'clock this evening. Final arrangements will also be announced for Clarksburg's delegation to the state convention and reunion at Huntington next week.

# Be "heating-ready"—Early!

Do you own a home, or a property to rent or to sell which has been closed for many months past and which carries the stigma (known to many) "poorly heated?" If so, the first thing to do this Fall is to give the building a home-making, tenant-attracting value, by installing an outfit of

## AMERICAN & IDEAL RADIATORS & BOILERS

folks, or to any renter or buyer, that the building is going to be warm for all winters to come—free of ashes and coal dust, with full money's worth from every coal bill. To a building formerly heated by old-fashioned devices an IDEAL-AMERICAN outfit adds something never there before, namely—an atmosphere that satisfies. You have an even, balmy, cleanly, generous volume of warmth in every room—always tempered to suit the varying needs of Spring, Fall and Winter. Our special SYLPHON Heat Regulators keep IDEAL Boilers automatically regulated; no over-heating and fuel waste, no under-heating and chilly rooms. You can have comfortable nights, pleasant mornings, cozy evenings—and perpetual freedom from fuel-extravagance or regulating the dampers.

A No. 4-19-W IDEAL Boiler and 270 sq. ft. of 38-in. AMERICAN Radiators, costing the owner \$135, were used to heat this cottage. As this price the goods can be bought of any reputable, competent fitter. This did not include cost of labor, pipe, valves, freight, etc., which vary according to climatic and other conditions.

IDEAL Boilers are built with grates, fire pots and heating surfaces which extract the most heat from all fuels—wood, oil, gas, coke, lignite, hard or soft coal—even run-of-mine, pea-coal, screenings, or slack. AMERICAN Radiators are made in every shape necessary for putting under windows, along walls, in corners, pantries, etc., and in special forms for ventilation. All are subjected in our special heating laboratories to highest tests for strength, durability and utmost heating results per pound of fuel burned.

You can make no better building investment, for in IDEAL-AMERICAN heating everything is water-backed "iron-to-iron," no parts to wear out, rust out, or call for packing—no annual over-hauling or repairs bills. These economies, with fuel savings, pay dividends far better than money-in-bank at 6%. Whether in country or city, whether it is an old or new house, store, school, church, etc., write to-day for "Ideal Heating," free and worth reading—no obligations to buy.

IDEAL Boilers will supply ample heat on one charging of coal for 8 to 14 hours, depending on severity of weather. Every ounce of fuel is made to yield utmost results.

**An unfailing, stationary Vacuum Cleaner—in sizes now at \$150 up!**  
You should know about our ARCO WAND Vacuum Cleaner, for dustless, complete cleaning of rooms, furnishings, etc. Sits in basement and cleans through iron suction pipe running to each floor. Easily put in OLD buildings. Fully GUARANTEED. Lasts as long as the building—like radiator heating. Send for catalog.

Sold by all dealers.  
No exclusive agents.

### PROHIBITION LAW

Said to Have Been Violated by  
Charles Cunningham and  
He is Jailed.

Frank Cunningham, colored, is a prisoner in this city jail today on a charge of violating the prohibition law, and he will probably be turned over to the county authorities late this afternoon. He was arrested at the Baltimore and Ohio passenger depot late Monday night by Officer L. L. White.

Two hand grips containing eighteen quarts of whiskey and eight bottles of beer are said to have been in his possession when he was taken into custody.

A warrant against Cunningham was issued by Magistrate R. Edward Kidd this afternoon at the instance of the police department. Cunningham's trial was set for this evening.

### INSTALLATION

Of the Rev. Dr. Turner to Take  
Place in First Presbyterian  
Church This Evening.

The service for the installation of the Rev. Edward Bates Turner as pastor of the First Presbyterian church will be held at 7:30 o'clock this evening. The sermon will be preached by Dr. A. N. Buchanan, of Morgantown, the charge to the people will be given by the Rev. Dr. W. Pollock, of Buckhannon, and the charge to the pastor by the Rev. Dr. Thomas G. Koontz, of Wheeling.

In the few months since Mr. Turner has been with this church he has not only won the love of his own congregation, but made many other friends among Clarksburg people, all of whom will be anxious to be present at this service at which he takes formal charge of the church, and who earnestly wish for him a long and successful pastorate.

### MINISTERS' PRAYERS

And Best Wishes to Go with  
Minister Long to His New  
Field of Labor.

The following resolutions have been adopted by the Clarksburg Ministers' Union:

The Rev. W. M. Long, pastor of the Central Christian church for the last ten years, has accepted a call to another field of labor outside the state. During a faithful pastorate he has organized his society and erected a church building. He has endeared himself to all by his broad sympathy, his brotherly affection, and his Christian brotherhood.

The Clarksburg Ministers' Union in meeting assembled, September 13, 1915, hereby expresses its deep regret to see one who has been faithful to every task appointed him by this body, go from us. We extend Brother Long our best wishes for his future success, and as he goes to his larger field of prayer to Almighty God in his behalf will follow him.

### BIG REGISTRATION.

**MORGANTOWN, Sept. 14.**—The West Virginia university has opened and the first day's registration reached 332. There were three days allowed for registration and fully 850 students are expected to be enrolled by the time the regular school work is taken up on Thursday.

### TWELVE HUNDRED

(Continued from page 1.)

delegates are expected. As soon as replies are received from those counties six years ago.

The last campaign of the Laymen's Missionary movement of six years ago covered the whole of the United States and Canada. Since then the gifts of the Protestants of North America for foreign missions have increased from \$9,000,000 per year to \$17,186,000 given last year. Not less than seventy-five per cent of this great increase has been due to the inspiration and instruction which the Laymen's Missionary movement put into thousands of churches of all denominations. This second national campaign comes at a time when the United States has a rapidly widening sphere of influence and corresponding responsibility. The men of America have never failed to bear their share of world responsibility when they un-

derstand it. We believe this year and next will see a great advance made toward the evangelization of the ties, tickets for the registration of delegates will be distributed to the county seats of those counties according to the number of communicant members of the various churches co-operating. It is hoped that the men in those counties to whom will be entrusted the registration of delegates from their counties, may earnestly seek to register as delegates a goodly number of men who will attend all the sessions of the convention and who will be able to carry back to their home counties the inspiration and instruction they will surely get at the convention.

The \$100 fee which will be charged for the registration ticket will bring in all the money needed to pay the expenses of the convention, if the banquet can be arranged, an additional charge of fifty cents will be needed to cover this item. No collection will be taken at any of the meetings of the convention. Its object is not to raise money, but rather to inaugurate plans that will enable all Protestant churches to line up their whole membership for systematic week-by-week giving for all the activities of the church, especially for the largest work of the church, which is, sending the Gospel to the millions of non-Christian lands.

The convention to be held in Clarksburg is planned to bring a large part of West Virginia into line with other parts of the country so that it may bear its full share in the work to be done. In matters of wealth and commerce West Virginia occupies a prominent place. In matters of mission and Christian beneficence she is near the bottom of the list. This ought not to be so and surely will not be after the delegates to the Laymen's convention in Clarksburg return to their counties and get busy in this big job.

**Committees Enlisted.**  
The counties to be enlisted in the convention are Harrison, Marion, Upshur, Taylor, Barbour, Lewis, Doddridge, Ritchie, Wood, Pleasants, Wetzel, Tyler, Monongalia, Preston, Randolph, Tucker, Webster, Nicholas, Braxton, Gilmer, Clary, Wirt, Calhoun and Jackson.

The executive committee of the Clarksburg convention is as follows: G. W. Dudders, chairman; Howard Robinson, vice chairman; Louis A. Johnson, secretary; Howard L. Cunningham, treasurer; O. C. Will, chairman of finance committee; W. M. Heuser, chairman of statistics committee; Wheeler Rogers, chairman of registration committee; Lloyd P. Sanders, chairman of publicity committee; N. S. Longabaugh, chairman

of arrangements committee, and W. C. Taylor, chairman of prayer committee.

In each of these six committees there are representatives of each denomination in the convention area. Those men are expected to organize sub-committees within their several denominations to help them do the work that is assigned to them. By this distribution of labor the whole task can be easily and quickly performed. Naturally enough each denomination will desire to be well represented at the convention. The "proving each other to good work" ought to be helpful to all concerned. The spirit of Christian brotherhood is abroad in the land.

**UNITED STATES OF AMERICA.**  
Northern District of West Virginia, ss: In the United States District Court in and for said District.

In the matter of W. E. Cox and Calvin Cox, partners and as individuals, bankrupts. No. 1009, in bankruptcy. Petition for discharge. To the Honorable Alston G. Dayton, Judge of the District Court of the United States for the Northern District of West Virginia.

W. E. Cox and Calvin Cox, partners and as individuals of Clarksburg in the county of Harrison and State of West Virginia, in said District, respectfully represent that on the 13th day of February, last past, they were duly adjudged bankrupts under the acts of Congress relating to bankruptcy; that they have duly surrendered all their property and rights of property, and have fully complied with all the requirements of said acts and of orders of the court touching their bankruptcy.

Wherefore they pray that they may be decreed by the Court to have a full discharge from all debts provable against their separate estate under said bankruptcy acts, except such debts as are excepted by law from such discharge.

Dated this 8th day of August, A. D. 1915.  
W. E. COX, CALVIN COX,  
Bankrupts.  
Order of Notice Thereon.  
Northern District of West Virginia, ss: On this 3rd day of September, A. D. 1915, on reading the foregoing petition in

Every home with a phone is a branch of Welch & Fullerton, Druggists.
